Sir:

Applicants filed an Information Disclosure Statement and a PTO-1449 form on December 11, 2008. Applicant notes that three documents were listed and two were submitted with the Information Disclosure Statement. Applicant attaches hereto a revised PTO-1449 form and also attaches Japanese Patent Application No. JP-A 2003-69278 and an English abstract which was listed in the European Search Report filed with the Information Disclosure Statement on December 11, 2008, however JP-A 2003-69278 was inadvertently not listed on the PTO-1449 form filed December 11, 2008.

Also, in Section III, B., 3. of the Information Disclosure Statement filed December 11, 2008, Applicants note that U.S. Patent No. 5,576,710 and not Japanese Patent Application No. JP-A 2003-69278 was previously cited by the Examiner in the Office Action dated September 11, 2008.

The Examiner is respectfully requested to review the revised PTO-1449 form and each of the documents submitted herewith which were listed on the originally

filed Information Disclosure Statement, and is requested to return an initialed PTO-1449 form indicating this consideration, to the Applicants.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C.
